

Product Change Notification

PCN Publish Date: August 31, 2006

PCN #: 019070-033871

Change Title: Product Process Change

Products Affected:

Current Aavid Part Number	4953(1.81 KG. KIT)NO AIR	
New RoHS Compliant Part Number	4953(1.81 KG. KIT)NO AIRG	RoHS  Compliant

Description of the Change: : In an effort to make our product line more compatible with regulatory and environmental guidelines, we are changing the volume manufacturing process for our products to make them RoHS compliant according to Aavid Thermalloy specification RoHS 9000. (Available at <http://www.aavidthermalloy.com/RoHS.shtml>).

The current version of this product uses a die to color the product green. This green die contains cadmium. The RoHS version of the product uses a cadmium free green die. Product made using this new die is identified with a "G" suffix at the end of the part number as shown above in Products Affected.

Scheduling of Change:

Sample Date: Please contact your local sales representative for sample availability.

Volume Production: Volume production is available now.

New orders should be placed for the "G" suffix product. Please adjust your current orders so that they can be filled accordingly depending upon stock and availability.

EOL of Unchanged Product: Manufacturing has been converted to the RoHS compliant process, it is no longer possible to manufacture products with non-compliant materials.

Customer Impact: All mechanical, electrical and thermal properties remain unchanged. A slight change in appearance may be noticeable.

Qualification Results: For an Aavid Thermalloy qualification reports visit our RoHS website. <http://www.aavidthermalloy.com/RoHS.shtml>

Contact Information: For question please contact Aavid Thermalloy Technical Support at info@aavid.com or your local sales office.

Aavid Thermalloy LLC
70 Commercial St.
Concord, NH 03301
