## Product Change Notification

**PCN Publish Date:** February 12, 2010

**PCN #:** PCN021210

**Change Title:** Thermalcote™ II thermal grease no longer available from Aavid Thermalloy

**Products Affected:** See Appendix A

**Description of the Change:** We are no longer able to offer Thermalcote™ II thermal grease. We can no longer produce the grease in our facility. We are offering our Sil-Free™ brand product as a possible alternative.

**Scheduling of Change:**

**Sample Date:** N/A

**Volume Production:** N/A

**EOL of Thermalcote™ II:** Immediately

**Customer Impact:** The alternative Sil-Free™ brand product has some slight differences in functional characteristics, ease of spreading, wet-out, ease of cleaning that are minor, but could be important to some users. Please review the product characteristics on our Web Site link <http://www.aavidthermalloy.com/products/options/greases.shtml#thermal2> to determine if the alternative offered will work in your application. Some of the Thermalcote™ II product may still be available through Aavid Thermalloy's Authorized Distributors; check our Web site for inventory availability at <http://www.aavidthermalloy.com/stockcheck.html> and contact those Distributors who show inventory available.

**Qualification Results:**

**Contact Information:** For questions please contact Aavid Thermalloy Technical Support at [info@aavid.com](mailto:info@aavid.com) or your local sales office.

*Please respond with any issues within 30 days of this notification. Lack of acknowledgment of the change constitutes acceptance of the change.*
