
Product Change Notification

PCN Publish Date: August 02, 2006

PCN #: 028107-073106

Change Title: Product End of Life

Products Affected:

Aavid Thermalloy Part Number	368052B00032
-------------------------------------	--------------

Description of the Change: The above part number is made with a thermal interface material that does not comply with RoHS guidelines. Due to availability of this material, Aavid-Thermalloy can no longer offer this product. Aavid-Thermalloy offers a RoHS compliant version of this product with nearly identical form, fit and function as follows:

Replacement Part Number	368052B00032G <small>RoHS ✓ Compliant</small>
--------------------------------	---

Customer Impact: The thermal interface material used in the replacement part number is manufactured without the banned fire retardant. All thermal and mechanical properties remain unchanged. If fire rating is critical to your design, please contact us. We can help find a solution to meet all of your requirements.

Scheduling of Change:

Sample Date: Please contact your local sales representative for sample availability.

Volume Production: Volume production of the replacement product is available now. New orders should be placed for the replacement part number.

Last Time Buy: We are unable to accept new orders for this product, however all existing orders will be fulfilled.

EOL of Affected Product: Effective 9/31/06

Qualification Results: For an Aavid Thermalloy qualification reports visit our RoHS website. <http://www.aavidthermalloy.com/RoHS.shtml>

Contact Information: For question please contact Aavid Thermalloy Technical Support at info@aavid.com or your local sales office.
